

“Just One Thing”

How Can I Help?

Dear Parents, Guardians and Friends,

One of the things that makes Nambour State College such a great place, is our active, friendly school community. We want to make sure every family (especially new ones) has the opportunity to get involved. Volunteering at school is a great way to meet new people, make friends and your kids get a kick out of seeing you at school. It especially shows your children the high value you place on their education.

We have over 1600 students attending Nambour State College over 300 of them new to the College this year, and we would be grateful if every family would nominate to do “just one thing” throughout the year. Apart from building up our community, a successful campaign will make a significant contribution to **air conditioning our college**, giving our students the best possible educational facilities. This is one of the P&C’s key projects, along with greening the College campuses.

Below and on the next page is a list of “Things” that we would appreciate your assistance with. **Please tick just one box (or more if you wish)** and place your contact details at the bottom of the page. Please return to the office **as soon as possible**, so that we can collate the responses, and when the time comes someone from the P&C or College will be in contact with you regarding your participation.

If you are unable to help but would like to be kept up to date with activities and events organised by the P&C, please “Like” our **Nambour State College P&C** Facebook page. Or leave your contact details below and return this form to the office.

Yours Sincerely

Shane Ackerman

President – Nambour State College P&C Association

COMMITTEES, MEETINGS AND BOARDS

* Attend P&C Meetings (3rd Wednesday of the month, 6.00pm, Senior Library)

HELPING AROUND THE SCHOOL (during and outside school hours)
