

# YEAR 8 2022

## ELECTIVE SELECTION FORM

Student Name: \_\_\_\_\_

In Year 8 and 9, students study English, Maths, Science, Humanities and Health and Physical Education as mandatory subject offerings in line with the Australian Curriculum. In addition to this students study 3 elective subjects over 2 years.

Due to limitations in human resources and facilities it is not always possible for the school to accommodate all elective preferences for each student. In trying to ensure we can offer the best educational experience to as many students as possible we ask that you select 6 preferences.

**Place a 1 in the box of the subject you would most like to study, a 2 in the box of your second preference and so on until you have selected 6 subjects.**

For information about each elective, please read the Year 8 & 9 Curriculum Handbook on our website <https://namboursc.eq.edu.au/curriculum/junior-secondary>
