

PINNACLE

YOUNG PINNACLE PROGRAM APPLICATION PACKAGE

FOR YEAR 5 & 6 STUDENTS IN 2025

We are proud to offer a Young Pinnacle Program for students in Years 5 & 6 across the Sunshine Coast. The program explores five specialist strands (*athletes, creatives, cultivators, future leaders & innovators*) and is designed to provide enrichment and early high school transition opportunities for highly motivated students. Young Pinnacles will participate in a number of Year 7 and 8 level activities while forming connections with like-minded students and school staff.

Successful applicants will participate in four 'Young Pinnacle Days' throughout the year at Nambour State College, as well as receiving early and additional access to opportunities including scholarship level entry to the full Pinnacle Program and additional transition opportunities to better prepare them for high school.

The Young Pinnacle Program is a pathway program to the full Pinnacle Program at Nambour State College. Students who join the program in Year 5 will remain in the program throughout Year 6 as long as they confirm their enrolment to Nambour State College for the following year. **Participation in the Young Pinnacle program will improve application prospects when applying for the Pinnacle Program entry as a Year 7 student.**
