## Senior Student Resource Scheme Annual Parent Information Letter

### Dear Parents/Guardians,

This letter contains important information about the 2025 Student Resource Scheme (SRS), including how the scheme operates and the annual participation fee.

The Qld Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost-effective alternative to purchasing textbooks and/or resources elsewhere, Nambour State College will again operate an SRS for 2025.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and money collected through the scheme is applied only to the resources and operation of the scheme.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association at the meeting held on 20/11/2024.

### **SRS Participation**

The scheme's objective is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their school learning experience. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate. Participation is for the duration of your child's enrolment at the school.

#### ***Your child is a new student at the school.....***

Parents are required to complete and return the SRS Participation Agreement Form when joining the scheme for the first time. If no participation form is received by the school, we will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the school year. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

#### ***Your child is a continuing student at the school....***

A parent's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

If a parent has opted out of the scheme the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year.

## Resource Inclusions

All resources included in the SRS are detailed in the attached [SRS Resource List](#) and are also available on the school's website. This is a comprehensive list of all resources included in the scheme and their associated costs. <https://education.qld.gov.au/parents-and-carers/school-information/student-resource-scheme>

## Type of Resources provided

The three types of resources that could be included are:

- Owned - these items are retained by the student and used as required (e.g. stationery, exercise books, student diary).
- Used - these items are used/consumed in class by the student (e.g., Technology materials/cooking/art supplies).
  - work/items produced from these resources will remain the property of the student.
- Hired - these items are hired to the student for their personal use for a specific period of time (e.g., textbooks, musical instruments, laptops, graphics calculator, etc.).
  - Hired items must be returned to the school in good condition at the end of the hire period or if the student leaves the school.
  - A repair or replacement cost may be charged to the parent for any damaged or not returned items.

## Costing Methodology

The school's SRS fee is calculated based on a flat fee for a cohort group of students in the Senior school. Please refer to the [SRS Resource list](#) for the associated costings.

### The Textbook and Resource Allowance

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students. For those students who are eligible to receive the TRA, the TRA will be applied to reduce the cost of participation in the SRS. Information on the TRA can be found on the department's website (<https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance>).

Year level	TRA Rate
Years 7 to 10	\$160
Years 11 to 12	\$348

## The SRS Participation Fee

The SRS fee payable for the year also includes the TRA component deducted to reduce the SRS fee payable.

Cost Breakdown:

Year Level	Cost of SRS	TRA Rate	SRS fee payable
Years 7 to 10	\$420	\$160	\$260
Years 11 to 12	\$608	\$348	\$260
