[NAMBOUR STATE COLLEGE] Parents and Citizens' Association Constitution – adopted 17.03.2021]

Preamble

The *Education (General Provisions) Act 2006 (Qld)* (the Act) states that all Parents & Citizens' Associations must have a constitution and that such constitutions will have no effect unless approved by the Director-General (or delegate) of the Department of Education. Under section 38(3) of the *Education (General Provisions) Regulation 2017 (Qld)* (the Regulation), the Director-General (or delegate) of the Department may prepare a model constitution for P&C Associations. This model constitution (the Constitution) has been prepared under that section and will replace your current constitution.

Part I – Functions and Powers

- complying with Departmental policies that apply to the Association, or
- any matter relevant to the performance of the Association's functions.

GENERAL POWERS

The Association has the powers conferred on it by, or derived by it from, the Act, the *Statutory Bodies Financial Arrangement Act 1982 (Qld)* (SBFA Act) and any other legislation (including subordinate legislation) relevant to Parents & Citizens' Associations including the powers listed in this clause.

The Association may establish subcommittees in accordance with clause 15.

The Association may conduct at the premises of the School a tuckshop or other amenity if the Association reasonably believes the tuckshop or amenity is likely to:

- help staff members of the School in their professional duties, or
- help students of the School in their studies.

The Association may employ such persons as considered necessary for the purposes of the Association, subject to relevant laws, industrial awards and employment agreements.

The Association may enter into Relevant Agreements provided that:

- where the Association alone proposes to enter into the Relevant Agreement, it has the written approval of the Principal generally for the type of Relevant

- Agreement or for the particular Relevant Agreement
- the Association deals with any money it receives under the Relevant Agreement as the Principal may direct or, otherwise, as the Association believes appropriate, consistent with its objectives, and
- the Relevant Agreement contains any conditions required by the Principal by notice given to the Association or published in the gazette.

Where an Association makes a resolution to enter into a relevant agreement, the Association's president may sign the agreement.

The Association may commence proceedings in the name of the Association in accordance with clause 11.

Subject to and in accordance with the SBFA Act, the Association may:

- borrow money
- invest money
- operate a deposit and withdrawal account with a financial institution
- establish a school building fund in accordance with clause 7, and
- enter into certain other transactions or arrangements in accordance with the SBFA Act, subject to any necessary approvals being obtained as required under the SBFA Act.

SCHOOL COUNCIL

If a School Council exists at the School, the Association's President is an official member of the School Council.

An Association's President may appoint an 'alternative association member' to the School Council to attend meetings in place of the Association President. The alternative association member may exercise the rights and duties of the President at the School Council meeting (note: elected or appointed members of the School Council are ineligible for appointment by the president as the alternative association member).

With regard to the School Council, the Association:

- must approve the draft School Council constitution in accordance with sections 109(4) and 109(6) of the Act
- may suggest strategic issues and proposals for consideration by the School Council
- may facilitate consultation with the members of the Association on behalf of the School Council

Where a School Council for the School exists, the elected parent members of the School Council must be elected under this constitution as follows:

- prior to holding a meeting for the purpose of electing parent members, the Association must ascertain from the principal the number of parent members to be elected to the School Council
- any two members of the Association (the **Nominating Members**) may nominate any parent of a child at the school (the **Candidate**) to be an elected parent member of the School Council
- the nomination may be made:
 - in person, by the Nominating Members, at the relevant meeting, or
 - if the Candidate cannot be present at the relevant meeting, by giving the Secretary, before the meeting, a nomination in writing signed by the Nominating Members and the Candidate
- if there is only one nomination for a position, the Candidate will be elected to the position if the Candidate receives the votes of a majority of the members at the meeting
- if there is more than one nomination for a position, the Candidate who receives the majority of the votes will be elected to the relevant office.

BUILDING FUNDS

Subject to obtaining any necessary approvals under the Act or the SBFA Act, where consistent with achieving the Association's objectives and performing the Association's functions, and subject to resolution passed by a majority of members at a duly constituted meeting, the Association may establish, maintain and operate a school building fund in accordance with the following rules:

The Association may apply for endorsement as a deductible gift recipient under Subdivision 30-BA of the *Income Tax Assessment Act 1997 (Cth)* (or as amended from time to time or under any legislative provision enacted in substitution for those provisions) for the operation of a School building fund.

The public must be invited to contribute gifts of money or property to the fund.

The Association must maintain a gift fund for the principal purposes of the school building. To avoid any doubt, the gift fund forms part of the school building fund. A separate bank account can be the 'gift fund'.

The Association must credit monetary gifts, interest earned, deductible contributions and proceeds of sale of gifted property to the gift fund. For example, interest earned on the gift fund bank account must be credited back to that gift fund bank account.

The Association must not credit money or property other than gifts into the gift fund.

The school building fund must be controlled by a subcommittee of the Association, the majority of whom must be Responsible Persons such that the fund satisfies the requirements to be a public fund. Responsible Person means an individual who:

- performs a significant public function
- is a member of a professional body having a code of ethics or rules of conduct
- is officially charged with spiritual functions by a religious institution
- is a director of a company whose shares are listed on the Australian Stock Exchange
- has received formal recognition from government for services to the community, or
- is an office holder of a community organisation (e.g. President of Parent and Citizens' Association).

The Association must use the fund solely for the acquisition, construction or maintenance of a building used, or to be used, as a school or college by the School.

The Association may use the money in the fund to pay for the reasonable costs of managing the fund. Examples of costs include bank fees and charges, stationery costs and accounting and audit fees relating directly to the fund.

The Association must not distribute directly or indirectly any portion of the fund or its income to its members or their associates.

If the Association issues a receipt for a gift to the school building fund, the Association must ensure that the receipt states:

- the name of the fund
- the Australian Business Number of the Association
- the fact that the receipt is for a gift
- the amount of gifts of money
- a description of any gifts of property, and
- the date of the gift.

The Australian Taxation Office must be notified of any changes made to this constitution that affect the fund's rules or dissolution or winding up provisions.

The Australian Taxation Office must be notified at the first occurrence of:

- the winding up of the fund
- the dissolution of the Association, or
- dissolution of the gift fund.

On the winding up or dissolution of the fund, or if the endorsement of the Association as a deductible gift recipient of the fund is revoked by the Australian Taxation Office, any surplus assets of the fund, including contents of the gift fund, must be transferred to the school building fund of another P&C Association to which tax deductible gifts can be made under Subdivision 30-15 of the *Income Tax Assessment Act 1997 (Cth)*.

CONSTITUTION SUBJECT TO APPLICABLE LAWS

This Constitution (including the powers of the Association referred to in it) is subject to, and must be read in conjunction with, all applicable laws, including:

- the Act
- the SBFA Act
- the *Auditor-General Act 2009 (Qld)*.

CONSENT OF THE CHIEF EXECUTIVE FOR CERTAIN ACTIVITIES

If the object of an activity of the Association is, or includes, one or more of the following matters, the consent of the Director-General must be obtained before the activity is carried out:

- the construction of improvements to the premises of the School
- the addition of a fixture to the premises of the School
- the purchase of furniture for the School.

AUTHORITY OF ASSOCIATION

The Association may, without derogating from the authority of the Principal in the Principal's capacity as the person in charge of the School, exercise the authority in relation to the School that is consistent with the functions of the Association, **provided that** the Association must not exercise any authority over the teaching staff, or over the control or management, of the School.

PROCEEDINGS

Subject to clause 11.2, a proceeding may be started and conducted in the name of the Association by:

- the Association's President, or
- another member of the Association appointed in writing for that purpose by the President.

The Association must obtain the Minister's approval before starting any proceeding.

A document starting proceedings against the Association (including for example, a notice of claim) and any other document relevant to the proceeding must be served on a member of the Association's executive committee.

As soon as practicable after being served with a document, the person served with the document must give the Director-General a copy of the document.

The Minister may give the Association a written direction about a proceeding started by or against the Association under this clause and the Association must comply with the direction.

Part II – Members, Officers and Bodies

MEMBERSHIP

Eligibility

The following persons are eligible to be members of the Association:

- a) a parent of a child/student attending the School
- b) staff member of the School, or
- c) an adult who is interested in the school's welfare

The Principal of the School is automatically a member of the Association.

An employee of the Association is eligible to be a member of the Association.

Membership of the Association

A person must apply for membership of the Association by completing and submitting an application for membership to the Association in the form of the example at Schedule 3.

A person who applies for membership of the Association is taken to be a member if

membership is not refused by the Association within two months after the person applies for membership.

The Association must vote (as per the process established at clause 19) to decide whether an applicant will be refused membership.

A person is refused membership of the Association if the Association gives the person notice of the refusal **and** the reasons for the refusal within two months after the person applies for membership.

However, membership is not refused if the person receives notice of the Association's refusal of the application but does not receive notice of the reasons for the refusal within two months after the application is made.

Membership of the Association is renewable each year (except honorary life membership) at the annual general meeting of the Association. A member who wishes to reapply for membership must complete and submit a new application for membership to the Association in the form of the example at Schedule 3 prior to or at, the annual general meeting.

The Association may refuse an application for membership if it passes a resolution in favour of refusing the membership application at a duly constituted meeting. For example, it may be a ground for refusal of membership of a person if the person has, at the time of application for membership, committed any act or done anything which, if the person was already a member of the Association, would be grounds for removal under clause 17.

A person who is refused membership of an association may make a submission to the Minister about the refusal, and apply, as provided under the *Queensland Civil and Administrative Tribunal (QCAT) Act*, to QCAT for a review of the decision to refuse membership, as if the person had been a member of the association and been removed from the association.

Persons applying for membership, at an annual general meeting of the Association need not be present at the annual general meeting, to have their application considered.

Persons applying for membership at a general meeting must be present at the meeting of the Association at which their application is considered except where an applicant member can demonstrate exceptional circumstances in writing as to why they cannot be present at the meeting at which their application is considered.

Register of Members

A register of members of the Association (Schedule 1) must be maintained and must contain the following information:

- each member's name and postal address or email address
- the date each member became a member
- for a person who ceases to be a member, the date the person ceased to be a member, and
- for honorary life members, the date life membership was awarded and the basis for the award.

In addition, the register of members of the Association must contain one of the following for each member who is not a parent of a student attending the School:

- the member's date of birth
- a record that the member has stated the member is 18 years or more, or

[OR]

In addition, the register of members of the Association must contain one of the following for each member who is not a staff member of the institution:

- the member's date of birth

The register of members should be available at each meeting of the Association.

Membership Fees

Members of the Association are not required to pay a membership fee.

Resignation

A member may resign from the Association at any time by giving notice in writing to the Secretary of the Association. The notice of resignation takes effect when the notice is given or, if a later time is stated in the notice, the later time.

Award of Honorary Life Membership

An Association, other than an interim P&C Association, may decide to award a person who is or was a member of the Association honorary life membership of the Association only on the basis that person has given long and meritorious service to the Association.

Honorary life membership may be proposed by any member of the Association in confidence through the Executive Committee or as otherwise determined by the Association at an annual general meeting.

The decision to award a person honorary life membership must be made by a two-third majority vote of the members present at an annual general meeting of the Association.

A person who is the subject of a proposed resolution to award the person honorary life membership must not:

- be present during discussions about the proposal, or voting on it, at a meeting of the Association
- vote on the proposal.

OFFICERS OF THE ASSOCIATION

Officers and Eligibility to Hold Office

Subject to clauses 13.1.3, 13.1.4 and 13.3 below, at each annual general meeting of the Association, the members of the Association must elect the following Officers from its members:

- a President
- at least one Vice-President
- a Secretary
- a Treasurer
- any additional Officers as decided by the Association.

The Officers of the Association hold office in an honorary capacity.

The office of Treasurer must not be held by a person who is the President or Secretary of the Association.

The Principal may not hold a position as an Officer of the Association.

Subject to the restrictions elsewhere in this Constitution, a retired Officer or former Officers are eligible for re-election.

Subject to the restrictions elsewhere in this Constitution, School staff are eligible for election as an Officer, although the number of relevant staff members of the School must not be more than one-third of the number of members of the executive committee.

No employee (including a contractor) of the Association or its subcommittees is eligible to hold a position as an Officer or as an executive member.

Vacancies

The position of an Officer becomes vacant if the Officer:

- dies
- resigns his or her Office by signed notice given to:
 - in the case of the President - a Vice-President or the Secretary or Treasurer, or
 - in the case of another Officer - the President
- is absent from three consecutive meetings of the Association where:
 - there is a quorum for each meeting not attended
 - the member has been given notice of the meetings in accordance with this Constitution
 - the absences have been without the Association's leave and without reasonable excuse.

For the purpose of calculating whether the Officer has been absent from three consecutive meetings, if the Officer attends a meeting during the relevant period, where there is no quorum, this is counted as attendance at a meeting.

A notice under clause 13.2.1(b) takes effect on the date the notice is given or, if a later time is stated in the notice, the later time.

An election to fill a casual vacancy in the position of an Officer of the Association may be held at a general meeting of the Association.

A position which is not filled at an annual general meeting may be filled by election at the next general meeting of the Association.

Election

At each annual general meeting of the Association, members of the Association at the meeting must elect Officers of the Association.

Officers of the Association may only be elected as follows:

- any two members of the Association (the **Nominating Members**) may nominate another member (the **Candidate**) to be an Officer
- the nomination may be made:
 - in person, by the Nominating Members, at the relevant meeting, or
 - if the Candidate cannot be present at the relevant meeting, by giving the Secretary, before the meeting, a nomination in writing signed by the Nominating Members and the Candidate
- if there is only one nomination for a position the Candidate will be elected to the relevant office if the candidate receives the votes of a majority of the members at the meeting
- if there is more than one nomination for a position the Candidate who receives the majority of the votes will be elected to the relevant office.

Notification of Officers

The Secretary of the Association must, as soon as practicable upon the formation of the Association and after each annual general meeting (or, in the case of an election to fill a casual vacancy, the relevant general meeting), give to the Director-General and to P&Cs Qld notice of the names and postal addresses or email addresses of the elected Officers.

EXECUTIVE COMMITTEE

Executive Committee

The Association has an Executive Committee that is comprised of the following Officers of the Association:

- the President
- the Vice-President or Vice-Presidents
- the Secretary
- the Treasurer.

When Officers of the Association are elected at an annual general meeting, the number of relevant staff members of the School who may be members of the Executive Committee must not be more than one-third of the total number of members of the Executive Committee. In this clause 14.1.2, the term "relevant staff member" a staff member of the School

Clause 14.1.2 does not apply to the Association if the Regional Director, or Assistant Director-General, State Schools (for Independent Public Schools) reasonably believes that complying with that requirement would prevent all of the positions of the Executive Committee being filled and the Regional Director or Assistant Director-General, State Schools (for Independent Public Schools) notifies the Association that it is not required to comply with that clause or its statutory equivalent (being section 126(2) of the Act).

Description of Executive Committee

The following describes the key functions of the Association officers:

- The **President** provides leadership and is the

accountable officer of the Association. Their role is to act as a representative of the Association, encourage communication between the Association, School administration and the community and encourage participation in the Association. The President will be the Chair of meetings and conduct them in an efficient and timely fashion, being familiar with the rules, constitution and other documents governing Association operations. The President is an official member of the school council for the School, if one exists.

- The **Vice-President** provides essential support for the President and possibly other members of the Executive Committee. They will Chair those meetings from which the President is absent and carry out any duties that have been delegated by the President. They should also be familiar with the rules, constitution and other documents governing Association operations.
- The **Secretary** collates the agenda papers for each meeting, (including subcommittee reports) and assists the President in preparing an agenda for each meeting. They prepare and present minutes of the Association's meetings, record and deal with correspondence in/out as directed and generally organise, record and maintain information pertaining to the activities of the Association.
- The **Treasurer** has the overall responsibility for the financial management of the Association, including all subcommittee accounts. In their role they must comply with the Accounting Manual for P&C Associations in all respects. They prepare an annual budget and Annual Operational Plan for the Association in consultation with other members of the Association's Executive Committee. It is the Treasurer's responsibility to keep accurate accounts of receipts and expenditure.

All Executive Officers should ensure that all official information is securely stored.

Authority of Executive Committee in Matters of Urgency

The Executive Committee may, by majority vote of the Executive Committee, take any necessary action regarding urgent matters relating to the performance of the Association's functions.

The Executive Committee may not remove a person as a member or an Officer of the Association.

All Officers of the Executive Committee have an equal vote when voting on matters of urgency.

Full particulars of actions taken by the Executive Committee as matters of urgency must be tabled at the next scheduled general meeting of the Association or at a special meeting called for that purpose.

SUBCOMMITTEES

The Association may establish subcommittees it considers appropriate for purposes consistent with the objectives and functions of the Association (including for example, subcommittees for special purposes such as a swimming club or tuckshop).

Subcommittees may only act within the scope of the authority given to the subcommittee by the Association and must follow any direction given by the Association to the subcommittee.

Without limiting section 15.2, subcommittees will operate under the general supervision of the Association, and will be subject to conditions the Association considers appropriate.

Subject to clause 15.6, the Association must appoint particular members of the subcommittee to be the Chairperson, Secretary and, if funds are to be raised or spent by the subcommittee, the Treasurer of the subcommittee.

Officers of the Association are eligible to hold positions on subcommittees.

The Chairperson or Secretary of the subcommittee may not be the Treasurer of the subcommittee.

Each subcommittee of the Association will, subject to a contrary direction by the Association, provide a written report of its progress to every general meeting of the Association. If the subcommittee is authorised by the Association to raise or spend funds, then the Treasurer of the subcommittee will present a written financial statement, at every general meeting of the Association. The subcommittee accounts will be subject to an audit as part of the Association's accounts.

The timing and frequency of meetings of each subcommittee will, subject to an alternative contrary direction by the Association, be determined by a majority of the votes of the members of the relevant subcommittees.

Matters arising at a meeting of a subcommittee are decided by a majority of the votes of members present at the subcommittee meeting, where each member present has a vote on the matter. If the votes on a question are equal, the person presiding at the meeting also has a casting vote.

If a quorum is not present at a subcommittee meeting, the meeting will adjourn to a date determined by its members, subject to an alternative direction by the Association.

The tenure of each subcommittee is at the discretion of the Association.

FINANCIAL INTEREST

In this clause 16, "**relevant entity**" means:

- the Association, or
- the Executive Committee, or a subcommittee, of the Association.

If a member of a relevant entity (the "**Interested Member**") has a direct or indirect financial interest in an issue being considered, or about to be considered, by the relevant entity and the interest could conflict with the proper performance of the Interested Member's duties in relation to the consideration of the issue then, as soon as practicable after the relevant facts come to the Interested Member's knowledge, the Interested Member must disclose the nature of the interest to a meeting of the relevant entity. The disclosure must be recorded in the relevant entity's minutes.

Unless the relevant entity directs, the Interested Member must not be present when the relevant entity considers the issue or take part in a decision of the relevant entity about the issue.

The Interested Member must not be present when the relevant entity considers whether to give a direction under clause 16.3.

If there is another member of the relevant entity (the "**Second Member**") who must, under clause 16.2, also disclose an interest in the issue, the Second Member must not:

- be present when the relevant entity is considering whether to give a direction under clause 16.3, or
- take part in making the decision about giving the direction.

If:

- because of this clause 16, a member of the relevant entity is not present at a meeting of the relevant entity for considering or deciding an issue, or for considering or deciding whether to give a direction under section 16.3, and
- there would be a quorum for the relevant entity if the member were present, then, the remaining members of the relevant entity present are a quorum for the relevant entity for considering or deciding the issue, or for considering or deciding whether to give the direction, at the meeting.

REMOVAL OF MEMBERS AND OFFICERS OF AN ASSOCIATION

Nominated Persons and Removed Persons

In this clause 17:

- “**Nominated Person**” means a person who is a member, or a member and Officer, of the Association
- “**Remove**” a Nominated Person means:
 - if the person is a member only of the Association – remove the person as a member of the Association, or
 - if the person is a member of the Association and an Officer – remove the person as a member and Officer of the Association, or as an Officer of the Association only
- “**Removed Person**” means a Nominated Person who has been Removed by the Association under clause 17.4
- “**Notice of Removal**” means a notice, under clause 17.4.5, from an Association to a Nominated Person Removing the Nominated Person.

Removal of Nominated Person

The Association may only Remove a Nominated Person in accordance with this clause 17.

Grounds for Removal of Nominated Person

Each of the following is a ground for Removing a Nominated Person:

- the Nominated Person is convicted of an indictable offence
- the Nominated Person, without reasonable excuse; contravenes the Act or this Constitution
- for a Nominated Person who is an Officer, the Nominated Person, without reasonable excuse, fails to perform the duties of the office in a competent manner
- the Nominated Person, engages in conduct that is injurious or prejudicial to:
 - the promotion of the interests of, or the facilitating of the development and further improvement of the School, or
 - the good order and management of the School.

Removal of a Nominated Person

If the Association considers a ground exists to Remove a Nominated Person, the Association must give the Nominated Person written notice stating:

- the action the Association intends to take
- the grounds for the proposed action
- an outline of the facts and circumstances forming the basis for the grounds
- an invitation for the Nominated Person to show, within a stated time of at least 14 days, why the proposed action should not be taken.

The Association must consider all written representations made to it within the stated time and determine whether the Association still considers a ground to Remove the Nominated Person exists.

The Association will vote on the Removal of the Nominated Person by secret ballot at a general or special meeting of the Association and the decision to Remove the Nominated Person will be determined by majority of votes of the members present.

If, after considering all written representations made within the stated time, the Association still considers that a ground exists to Remove the Nominated Person then the Association

may:

- if the proposed action was to Remove the Nominated Person as a member only – Remove the Nominated Person as a member; or
- if the proposed action was to Remove the Nominated person as an Officer only – Remove the Nominated Person as an Officer; or
- if the proposed action was to Remove the Nominated Person as both a member and an Officer – Remove the Nominated Person as both a member and an Officer, or as an Officer only.

The Association must notify the Nominated Person of the Association's decision to Remove the Nominated Person by written notice to the Nominated Person within 14 days after the Association makes its decision and the notice must state:

- the reasons for the decision
- the date on which the Association's decision to Remove the Nominated Person takes effect in accordance with clause 17.4.6
- that the person may make a submission to the Minister against the decision
- the Minister's name and address
- the way in which the submission may be made.

Subject to clause 17.4.7, the decision referred to in clause 17.4.3 takes effect on the day on which the notice is given to the Nominated Person, or if a later day is stated in the notice, the later day.

If the ground for the Removal of the Nominated Person is because the member is convicted of an indictable offence:

- the Removal does not take effect until:
 - the end of the time to appeal against the conviction
 - if an appeal is made against the conviction, the appeal is finally decided
- the Removal has no effect if the conviction is quashed on appeal.

Submissions Against Removal of Removed Person

A Removed Person may make a submission against their Removal to the Minister, which must:

- be in writing
- include an address in Australia to which notices for the Removed Person may be sent
- state fully the grounds for the submission and the facts relied on
- include a copy of the Notice of Removal
- be given to the Minister within 14 days of the Notice of Removal being given to the Removed Person, or, if the Minister allows a later time for the giving of the submission, the later time.

Notwithstanding clause 17.5.1, a Removed Person who resigns or purports to resign from the Association as a member or Officer after receipt of the Notice of Removal may not make a submission against their Removal to the Minister.

Part III – Meetings and Voting

MEETINGS

Presiding at Meetings

The President of the Association must preside at all meetings of the Association at which the President is present.

If the President is absent from an Association meeting, but a Vice-President is present, a Vice-President nominated and confirmed by majority vote at the meeting must preside at that meeting.

If neither the President nor a Vice-President is present, or those offices are vacant, a member elected by those present at the meeting must preside.

Minutes of Meetings

The Secretary, or nominee, will record proceedings of any meeting of the Association by way of concise and accurate minutes. The person presiding at that meeting, or the person presiding at the next meeting, will sign the minutes of the meeting verifying the accuracy of the minutes as accepted by the Association.

Annual General Meetings

The annual general meeting of the Association must be held by 31 March in the year following the end of the preceding financial year of the Association.

Subject to clause 18.3.1, at the last general meeting (to be held before 31 December) the Association may determine the date of the following year's annual general meeting.

At least **14 days** before the day of the annual general meeting, notice will be given in writing of an annual general meeting personally, or by post to each member of the Association, or by a notice in the School newsletter and/or local newspaper. However, a resolution passed at the annual general meeting is not invalid merely because a member of the Association did not receive notice of the meeting.

A quorum for an annual general meeting of the Association is "7 members of the association". No business of an annual general meeting will be conducted unless a quorum of members is present.

If a quorum is not present at an annual general meeting then the meeting will be adjourned and the Officers will determine another date for the meeting and the Secretary will give notice of the meeting in accordance with clause 18.3.3.

If a quorum lapses during an annual general meeting, the meeting will be adjourned to a later date as determined by the Officers and the Secretary will give notice of the meeting in accordance with clause 18.3.3.
